

Meeting of the Medical Practitioners of the Spartanburg Dist.

Ms. Editor: The Medical Practitioners of this District met at Dr. Russell's Office, in the Village, and unanimously adopted the following

ADDRESS TO THE PUBLIC.

The exigencies of the times—the depressed state of monetary affairs—the high prices of provisions and all the necessities of life—imperatively demand that we increase our rates of charge.

The credit system has long been indulged by physician of this country, and to an extent unknown in any other business. In our relations with the merchant, farmer and mechanic we are debarred from trust or credit. So that our very living now depends upon demanding the same rule of "the cash system," which is required of us. Therefore,

Resolved, 1st. That the following Medical Fee Bill be adopted as our standard rates of charge.

2d. That settlement must be made in some satisfactory manner when the case is dismissed; and that for advice or medicine obtained at the office, payment must be made immediately.

Medical Fee Bill of Physicians in Spartanburg Dist.

For visit and advice (Medicines extra) in the d. y.	\$1.50
For visit and advice, after 10 o'clock at night.	3.00
Verbal advice and prescription at the office.	1.00 to 5.00
Written advice and prescription at the office.	5.00 to 10.00
For detention for more than one hour.	1.00 an hour
Midwifery—natural labor.	10.00 to 20.00
" " complicated ".	20.00 to 50.00
Consultation Fee.	10.00
Mileage, 50 cents in the day, and \$1. at night.	
Student's fee for use of book and instruction per year.	100.00

Resolved, That all the regular physicians of the district are respectfully invited and requested to meet at Dr. Russell's office on Saturday in March, 1866, at 12 o'clock, to consult in reference to our mutual interests, and the welfare of our profession.

L. C. KENNEDY, M. D., President.
Wm. T. Russell, M. D., Secretary.

HEADQUARTERS

Military Dist. Western S. C.,
FOURTH SEPARATE BRIGADE,
COLUMBIA, S. C., Feb. 15, 1866.

GENERAL ORDERS,
No. 8

THE following General Orders from the War Department are republished for the guidance of the officers and men of this command, and for the information of the inhabitants of this Military District:

WAR DEPARTMENT,
ADJUTANT GENERAL'S OFFICE,
WASHINGTON, May 11, 1865.

GENERAL ORDERS,
No. 90.

Punishment of Guerrillas.

All the forces of the enemy, East of the Mississippi River, having been duly surrendered, by the proper Commanding Officers, to the United States, under agreements of parole and disbandment, and there being now no authorized troops of the enemy East of the Mississippi River, it is

Ordered, That from and after the 1st day of June, 1865, any and all persons found in arms against the United States, or who may commit acts of hostility against it, East of the Mississippi River, will be regarded as Guerrillas, and punished with death.

The strict enforcement and execution of this order is especially enjoined upon the Commanding Officers of all United States forces within the Territorial limits to which it applies.

By command of Lieut. Gen. GRANT.
E. D. TOWNSEND, A. A. G.

By this order, those persons are regarded as Outlaws and Guerrillas, who, by force of arms, resist the soldiers of the United States in the discharge of their duties—as has been done in Anderson, Pickens and Union Districts—or who forcibly seize Government property, as has been done in this and other Districts.

The most strenuous efforts will be made to inflict upon such offenders the full penalty of the law.

By order of Brevet Maj. Gen. A. AMES.
J. A. CLARK,
A. A. D. C. & Act. Asst. Adj't Gen.

CARD

TO THE
MERCHANTS OF THE SOUTH.

THE UNDERSIGNED, WHOLESALÉ dealers, advise you of the fact that Charleston is again a market for the purchase of goods, and in view of the early opening of the spring trade, we beg to solicit the resumption of the patronage so liberally extended to this market in the past.

We are aware that many old and respected firms will be missed from our number, but many familiar names will be found in new associations, ready to supply the wants of the Trade, as of yore, and other old and new firms will be added to our number at an early day.

The cash and short credit system having been universally adopted in all the Northern markets, we are necessarily compelled to adopt a like system as the only safe one on which to conduct business, and the heavy percentage once necessary to cover bad debts will now be avoided. Small profits and quick returns will be the rule, and under its working we hope not only to restore to our ancient city her former prosperity, but to extend her trade to the full extent of the capabilities her excellent geographical position and natural advantages afford. Our interest and ambition combine to stimulate us in attaining this result.

The South Carolina Railroad is now open to Columbia, and its President has officially informed us that the Augusta line will be completed to Blackville this month, and that on the first of February he will receive through freight to Augusta. A line of steamers to Savannah will afford facilities for shipping in that direction. It is our purpose to have in store by the last of February a complete and varied assortment of goods in our respective lines adapted to the spring trade, and every exertion shall be made to promote your interests.

We extend to you the hand of commercial fellowship, and solicit your co-operation and patronage in our efforts to make Charleston the centre of Southern trade. Give us the encouragement we ask, and you will enjoy all the advantages of a cheap home market.
